Multiplier

The world is one big market.

Launching into new markets is no simple feat!

10 Reasons Why Multiplier Should Be Your Employer of Record

1

Entity set-up is costly and time-consuming.

Businesses can expand globally without establishing a legal presence in their target market. We've got you covered in 150+ countries.

2

Evaluating new markets can be risky without proper support.

Businesses can be more confident in planning for global expansion and scale easily in a risk-free manner from one market to another.

3

Global talent hiring needs expertise and knowledge.

Whether you want to hire an engineer from Vietnam or Sales Executive from Europe, we've got the insights to help you with hiring your best talent for the job.

4

Keeping track of regulatory requirements can be an ordeal.

When big or small changes are happening in the realm of workplace compliance and labor laws across the globe, we take care of tracking those compliance changes.

5

Working with multiple vendors often causes bad employee experience.

Multiplier offers a seamless experience with its all-inclusive platform that enables you to hire and onboard teams across the globe, manage their expenses, time-offs, run payroll, make payments and offer benefits.

6

Offer flexibility for short-term or long-term remote or overseas assignments.

If an employee wants to relocate to a country where they can legally work, the company can retain them with competitive benefits and no changes to their daily routine.

7

Time and cost barriers can slowdown global hiring.

Enter new markets 90% faster and scale teams rapidly with significant time and cost savings in traditional entity set up process and talent scouting.

8

Your extended HR in every country.

We are reliable partners with extensive legal, HR, consulting and immigration experience. We work as an extension of your HR team and are dedicated to your success.

9

Homogenous and Best-in-class employee benefits.

With Multiplier as your employer of record, you can offer a comprehensive package of benefits to your employees worldwide at affordable costs.

10

Maximize positive outcomes, reduce risks.

Throughout your partnership with Multiplier, our team of client success managers, HR experts, and regional employment law experts guarantee a professional and seamless experience to help you stay compliant.
